# SZC Tourism Mitigation Fund

- £12m fund negotiated with EDF
- TSC and AONB commissioned research provided vital information to help secure funding
- TSC/ AONB research and EDF's own survey showed potential net loss of 16-17% on visitor numbers
- Funding will be provided for duration of construction programme to mitigate potential impacts on tourism economy
- Will cover the cost of a Tourism Fund Programme Manager and Marketing Manager
- Tourism Working Group will develop annual implementation plans setting out activity
